Window Transaction Survey			
PO Name:	NIXON	89424 - 9800	Completed By: LORETTA KIRKPATRICK
Survey Period:	05/07/2011	ZIP+4: through	05/20/2011

Record the number of retail window transactions in the appropriate columns for each day. Consider a sale of stamps as one transaction. A sale of stamps and a money order is two transactions. Do not record the handing out over the counter of box mail, general delivery mail, or carrier mail. Instead of this worksheet, you may use PS Form 2007-A, Window Transaction Record; PS Form 2007-B, Window Transaction Conversion; and PS Form 2007-C, Window Transaction Survey. To obtain the average daily number of transactions, divide the total number of transactions during the survey period by the number of days in the survey. The allowable time per transaction is shown in each column in minutes. To determine the average daily workload in minutes, multiply the number of transactions in each column by the time conversion for that column, total in the survey period.

4. Are there any special community events to consider?

Is the Post Office facility a state or national historic landmark (see ASM 515.23)?

The geographic/economic make-up is an Indian Reservation. Nixon is where the Tribal Headquarters are located. All of the official government offices are here.

What provisions can be made for these services if the Post Office is discontinued?

There is a public bulletin board located here in the post office. The tribal offices post all there official court papers and all of the meeting notices. I am not sure where they would put the bulletin board if this office is closed.

POSTAL CUSTOMER
NIXON POST OFFICE
NIXON, NV 89424

Dear Postal Service Customer:

As the Postal Service manager responsible for all Post Offices in your area, I would like your opinion concerning a possible change in the way your postal service is provided. The recommended change is tentative and will not lead to a formal proposal unless we conclude that it will provide a maximum degree of regular and effective service.

The Postmaster at the Nixon Post Office retired on 06/05/2010. The Office is being studied for possible closing or consolidation for the following reasons: Due to decline in mail volume. We will continue to provide effective service through the Fernley Post Office.

Briefly, we would like to provide pickup and delivery of your mail, as well as the sale of stamps and all other customary postal services, by rural route service emanating from the Fernley Post Office.

We estimate that carrier service would cost the Postal Service substantially less than maintaining the Post Office in your community and still provide regular and effective service. Enclosed is information about some of the services available from the carrier. Retail services are also available at the Fernley Post Office, located 14.0 miles away. Hours of service at this office are 8:30 am to 5 pm, Monday through Friday, and 10 am to 2 pm on Saturday. Post Office box service is available at this location at the same fees.

In addition retail services are also available at the Wadsworth Post Office, located 4.0 miles away. Hours of service at this office are 8 am to 12:30 pm 1 pm to 4 pm, Monday through Friday, and closed on Saturday.

I invite you to think about a possible change to rural route service. Please return the enclosed questionnaire by 06/15/2011 using the pre-addressed envelope provided or at the community meeting. Please be aware that, if we formalize a proposal, your questionnaire will become part of an official record and will be available for public viewing.

You may, of course, want to discuss this form of service with us before drawing any conclusions. Postal representatives will be at the Tribal Office Chambers located at 208 Capital Hill in Nixon on Wednesday, June 15, 2011 from 6 p.m. to 7 p.m. to answer questions and provide information about our service. You may wish to discuss and submit your questionnaire at that time.

If you have any questions, you may call LORETTA KIRKPATRICK at (702) 361-9204.

Thank you for your assistance.

Sincerely,

To close the Nixon post office would be detrimental to the

I cannot believe that the service has declined in Nixon. Our population
is growing new houses coming up, which means for our health services
population is growing so more mail is being sent out.

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Nixon Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about having to travel to another Post Office for service. Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Stamps are also available at many stores and gas stations where customers may already shop, online at usps.com, or by calling 1-800-STAMP-24.

If it is determined that a discontinuance of the Nixon Post Office should be pursued, a formal proposal will be posted in the Fernley Post Office, Wadsworth Post Office and Nixon Post Office at a later date. If you have additional questions or comments, please feel free to contact LORETTA KIRKPATRICK at (702) 361-9204.

Sincerely,

Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Nixon Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You expressed a concern about senior citizens. Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.

If it is determined that a discontinuance of the Nixon Post Office should be pursued, a formal proposal will be posted in the Fernley Post Office, Wadsworth Post Office and Nixon Post Office at a later date. Dear Postal Service Customer:

Thank you for returning your questionnaire concerning the proposed discontinuance of the Nixon Post Office. Your comments, along with others received, will be included in the official record and considered carefully before further action is taken.

In response to your letter:

- You were concerned about obtaining services from the carrier. Most retail services provided at the post office are available from the carrier and do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

PURCHASING STAMPS BY MAIL

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using a Stamps by Mail order form, available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.

If it is determined that a discontinuance of the Nixon Post Office should be pursued, a formal proposal will be posted in the Fernley Post Office, Wadsworth Post Office and Nixon Post Office at a later date. The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using a Stamps by Mail order form, available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.

If it is determined that a discontinuance of the Nixon Post Office should be pursued, a formal proposal will be posted in the Fernley Post Office, Wadsworth Post Office and Nixon Post Office at a later date. If you have additional questions or comments, please feel free to contact LORETTA KIRKPATRICK at (702) 361-9204.

Postal Service Customer Community Meeting Analysis

(categorize customer concerns as postal or nonpostal and provide the Postal Service response for each.)

Postal Concerns

1. Concern (UnFavorable):
Customers asked why their Post Office was being discontinued while others were retained.
Response:
Post Offices are reviewed on a case-by-case basis. When there is a vacancy in a small office, it is customary to conduct a study of the business activity and investigate the feasibility of providing service by alternate means.
2. Concern (UnFavorable):
Customers were concerned about having to travel to another Post Office for service.
Response:
Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Stamps are also available at many stores and gas stations where customers may already shop, online at usps.com, or by calling 1-800-STAMP-24.
3. Concern (UnFavorable):
Customers were concerned about senior citizens.
Response:
Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.
4. Concern (UnFavorable):
Customers were concerned about mail security.
Response:
Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.
Concern (UnFavorable):
5. Customer expressed a concern about the cost savings obtained by the Postal Service from the closure of Post Offices. Quoting the PRC which said if the Postal Service closed 1000 Post Offices, it would only save 0.7% of the postal budget.
Response:
The Postal Service has developed and begun implementing a range of cost-reducing initiatives. These include: consolidating operations, adjusting delivery routes, restructuring administrative and processing functions and closing district offices. We also have introduced several new products and services, including Priority Mail Flat Rate boxes and Adult Signature service, in an effort to grow revenue.
6. Concern (UnFavorable):
Customers were concerned about obtaining services from the carrier.
Response:
Most retail services provided at the post office are available from the carrier and do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

PURCHASING STAMPS BY MAIL

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using a Stamps by Mail order form, available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

7. **Concern (UnFavorable):**

Customers were concerned why the postmaster position was not filled.

Response:

All management positions were frozen in anticipation of the reorganization efforts.

8. **Concern (UnFavorable):**

Customer expressed a concern about package delivery and pickup.

Response:

Rural carriers will deliver packages that fit in your rural mail box, if the package does not fit in the mail box, the carrier will deliver the package up to ½ mile off of the line of travel, at a designated place, such as on your porch or under a carport. For carrier pick up of packages, you can contact the administrative Post Office, letting the carrier know that you have a package available for pick up. The carrier can deviate from the line of travel in order to receive packages. The rural carrier will accept letters, flats or packages up to 13 ounces for mailing. The carrier will estimate the cost and provide a receipt for any money received. On the following delivery day the carrier will provide change or a bill for the amount over the estimate. Packages over 13 ounces may be picked up if the postage was printed online or with a traceable meter.

9. **Concern (UnFavorable):**

Customers expressed concern over the apparent lack of interest by the Postal Service for the needs of the community.

Response:

The Postal Service is required to provide each community with regular and effective service, using the most cost efficient means possible. The proposed alternate delivery service will meet the mailing and service needs of the community in a more cost effective manner.

Nonpostal Concerns

1. **Concern (UnFavorable):**

PROPOSAL TO CLOSE
THE NIXON, NV POST OFFICE
AND EXTEND
SERVICE BY RURAL ROUTE SERVICE

DOCKET NUMBER 1375139 - 89424

I. RESPONSIVENESS TO COMMUNITY POSTAL NEEDS

The Postal Service is proposing to close the Nixon, NV Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Fernley Post Office, located 14 miles away.

The postmaster position became vacant when the postmaster retired on June 05, 2010. Since the postmaster vacancy an OIC has been installed to operate the office. Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue.

The office is being studied for possible closing or consolidation due to the following reasons: Due to decline in mail volume. We will continue to provide effective service through the Fernley Post Office.

The Nixon Post Office, an EAS-11 level, provides service from 08:15 to 11:30 - 12:00 to 16:15 Monday - Friday, Closed Saturday and lobby hours of 24/7 on Monday - Friday and 24/7 on Saturday to 192 post office box or general delivery customers and no delivery customers. Retail services included the sale of stamps, stamped paper, and money orders; special services such as Registered Mail, Certified Mail, Insured Mail, COD Mail, and Express Mail services; and the acceptance and dispatch of all classes of mail.

The retail window averaged 31 transaction(s) accounting for 41 minute(s) of retail workload daily. With minimal workload, the Postal Service feels that effective and regular service will be provided by rural route service. Office receipts for the last 3 years were: \$12,141 (32 revenue units) in FY 2008; \$13,329 (35 revenue units) in FY 2009; and \$12,273 (32 revenue units) in FY 2010. There were five permit mailer(s) or postage meter customer(s).

On June 15, 2011, representatives from the Postal Service were available at Tribal Office Chambers located at 208 Capital Hill in Nixon to answer questions and provide information to customers. 30 customer(s) attended the meeting.

On May 23, 2011, 192 questionnaires were distributed to delivery customers of the Nixon Post Office. Questionnaires were also available over the counter for retail customers at the Nixon Post Office. 34 questionnaires were returned. Responses regarding the proposed alternate service were as follows: 0 favorable, 15 unfavorable, and 19 expressed no opinion.

If this proposal is implemented, delivery and retail services will be provided by the Fernley Post Office, an EAS-20 level office. Window service hours at the Fernley Post Office are from 8:30 am to 5 pm, Monday through Friday, and 10 am to 2 pm on Saturday. There are 510 post office boxes available.

Retail service is also available at the Wadsworth Post Office an EAS-15 level office, located four miles away. Window service hours at Wadsworth Post Office are from 8 am to 12:30 pm 1 pm to 4 pm, Monday through Friday and closed on Saturday. There are 147 post office boxes available for rent.

The following concerns were expressed from questionnaires, the community meeting, from customer letters, on the petition, and from the congressional inquiry:

- | | |
|--------------------|--|
| 1. Concern: | Customers expressed concern over the apparent lack of interest by the Postal Service for the needs of the community. |
| Response: | The Postal Service is required to provide each community with regular and effective service, using the most cost efficient means possible. The proposed alternate delivery service will meet the mailing and service needs of the community in a more cost effective manner. |
| 2. Concern: | Customers were concerned about having to travel to another Post Office for service. |
| Response: | Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Stamps are also available at many stores and gas stations where customers may already shop, online at usps.com, or by calling 1-800-STAMP-24. |
| 3. Concern: | Customers were concerned about having to travel to another Post Office for service. |
| Response: | Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Stamps are also available at many stores and gas stations where customers may already shop, online at usps.com, or by calling 1-800-STAMP-24. |
| 4. Concern: | Customers were concerned about obtaining services from the carrier. |

Response:

Most retail services provided at the post office are available from the carrier and do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

PURCHASING STAMPS BY MAIL

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using a Stamps by Mail order form, available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.

5. **Concern:**

Customers were concerned about senior citizens.

Response:

Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.

6. **Concern:**

Customer expressed a concern about package delivery and pickup.

Response:

Rural carriers will deliver packages that fit in your rural mail box, if the package does not fit in the mail box, the carrier will deliver the package up to ½ mile off of the line of travel, at a designated place, such as on your porch or under a carport. For carrier pick up of packages, you can contact the administrative Post Office, letting the carrier know that you have a package available for pick up. The carrier can deviate from the line of travel in order to receive packages. The rural carrier will accept letters, flats or packages up to 13 ounces for mailing. The carrier will estimate the cost and provide a receipt for any money received. On the following delivery day the carrier will provide change or a bill for the amount over the estimate. Packages over 13 ounces may be picked up if the postage was printed online or with a traceable meter.

7. **Concern:**

Customer expressed a concern about the cost savings obtained by the Postal Service from the closure of Post Offices. Quoting the PRC which said if the Postal Service closed 1000 Post Offices, it would only save 0.7% of the postal budget.

Response:

The Postal Service has developed and begun implementing a range of cost-reducing initiatives. These include: consolidating operations, adjusting delivery routes, restructuring administrative and processing functions and closing district offices. We also have introduced several new products and services, including Priority Mail Flat Rate boxes and Adult Signature service, in an effort to grow revenue.

8. **Concern:**

Customers asked why their Post Office was being discontinued while others were retained.

Response:

Post Offices are reviewed on a case-by-case basis. When there is a vacancy in a small office, it is customary to conduct a study of the business activity and investigate the feasibility of providing service by alternate means.

9. **Concern:**

Customers were concerned why the postmaster position was not filled.

Response:

All management positions were frozen in anticipation of the reorganization efforts.

10. **Concern:**

Customers were concerned about mail security.

Response:

Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.

Some advantages of the proposal are:

1. The rural or contract delivery carrier may provide retail services, alleviating the need to go to the post office. Stamps by Mail order forms are provided for customer convenience.
2. Customers opting for carrier service will have 24-hour access to their mail.
3. Savings for the Postal Service contribute in the long run to stable postage rates and savings for customers.
4. CBUs can offer the security of individually locked mail compartments. Parcel lockers provide convenient parcel delivery for customers.
5. Customers opting for carrier service will not have to pay post office box fees.
6. Saves time and energy for customers who drive to the post office to pick up mail.

Some disadvantages of the proposal are:

1. The loss of a retail outlet and a postmaster position in the community. Retail services may be provided by the rural or contract delivery carrier.
2. Meeting the rural or contract delivery carrier at the box to transact business. However, it is not necessary to be present to conduct most Postal Service transactions.
3. A change in the mailing address. The community name will continue to be used in the new address. A carrier route address will be assigned.

Taking all available information into consideration, the Postal Service concludes this proposal will provide a maximum degree of effective and regular postal services to the community.

II. EFFECT ON COMMUNITY

Nixon is an unincorporated community located in WASHOE County. The community is administered politically by Pyramid Lake Paiute Tribe. Police protection is provided by the Pyramid Lake Paiute Tribe. Fire protection is provided by the Pyramid Lake Paiute Tribe. The community is comprised of The geographic/economic make-up is an Indian Reservation. Nixon is where the Tribal Headquarters are located. All of the official government offices are here., and those who commute to work at nearby communities and work in local businesses.

Businesses and organizations include: Pyramid Lake Gospel Outreach St Mary's Episcopal Church Pyramid Lake Jr/Sr High School , Nixon Head Start Pyramid Lake Library Pyramid Lake Cattlemen's Association Marble Bluff Fish Facility Eagle Eye Charters Pyramid Lake Housing Authority Pyramid Lake Health Clinic Pyramid Lake Paiute Tribe Pyramid Lake Tribal Court Pyramid Lake Police Natasha Davis Tupperware Representative . Residents may travel to nearby communities for other supplies and services.

Nonpostal services provided at the Nixon Post Office will be available at the Fernley Post Office. Government forms normally provided by the Post Office will also be available at the Fernley Post Office or by contacting your local government agency.

The following nonpostal concerns were expressed from questionnaires, the community meeting, on the petition, and on the congressional inquiry:

1. **Concern:** Customers expressed concern for loss of community identity.
Response: A community's identity derives from the interest and vitality of its residents and their use of its name. The Postal Service is helping to preserve community identity by continuing the use of the Community name and ZIP Code in addresses.
2. **Concern:** Customers were concerned about the loss of a gathering place and an information center.
Response: Residents may continue to meet informally, socialize, and share information at the other businesses, churches and residences in town.

Based on the information obtained in the course of this discontinuance study, the Postal Service concludes this proposal will not adversely affect the community.

III. EFFECT ON EMPLOYEES

The postmaster position became vacant when the postmaster retired on June 05, 2010. The noncareer postmaster relief (PMR) may be separated from the Postal Service. No other Postal Service employee will be adversely affected. Since the postmaster vacancy an OIC has been installed to operate the office.

IV. ECONOMIC SAVINGS

The Postal Service estimates an annual savings of \$ 45,117 with a breakdown as follows:

Postmaster Salary (EAS-11, No COLA)	\$ 29,900
Fringe Benefits @ 33.5%	\$ 10,017
Annual Lease Costs	<u>+ \$ 5,200</u>
Total Annual Costs	\$ 45,117
Less Annual Cost of Replacement Service	<u>- \$ 0</u>
Total Annual Savings	<u>\$ 45,117</u>

V. OTHER FACTORS

The Postal Service has identified no other factors for consideration.

VI. SUMMARY

The Postal Service is proposing to close the Nixon, NV Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Fernley Post Office, located 14 miles away.

The postmaster retired on June 05, 2010. If the office has a noncareer PMR(s), they may be separated from the Postal Service; however, attempts will be made to reassign the employee(s) to a nearby facility. No other employee(s) will be adversely affected. Post office workload has declined. Effective and regular service will continue to be provided by rural route service.

The Nixon Post Office provided delivery and retail service to 192 PO Box or general delivery customers and no delivery route customers. The daily retail window transactions averaged 31. There are five permit mailers or postage meter customers.

There will no longer be a retail outlet in the community. However, delivery and retail services may be available from a rural or contract delivery carrier, which could alleviate the need to travel to a post office for service. The Postal Service will save an estimated \$45,117 annually. A disadvantage to some may be in meeting the rural or contract delivery carrier to transact business. However, it is not necessary to be present to conduct most Postal Service transactions with a rural or contract delivery carrier.

Taking all available information into consideration, the Postal Service has determined that the advantages outweigh the disadvantages and this proposal is warranted.

VII. NOTICES

- A. Support Materials. Copies of all materials upon which this proposal is based are available for public inspection at the Fernley Post Office and Wadsworth Post Office during normal office hours.
- B. This is a proposal. It is not a final determination to close this post office. If a final determination is made to close this post office, after public comments on this proposal are received and taken into account, a notice of that final determination will be posted in this office.

The final determination will contain instructions on how affected customers may appeal that decision to the Postal Regulatory Commission. Any such appeal must be received by the commission within 30 days of the posting of the final determination.

Following are comments I wish to make concerning the proposed discontinuance of the NIXON Post Office.

1. **Effect on Your Postal Services.** Describe any favorable or unfavorable effects you believe the proposal would have on the regularity or effectiveness of your postal services.
- If no PO is in Nixon, we would get no mail daily. All the tribal organizations use ^{to} mail certified & regular mail.

Suggestion: work shorter hours
@ close on weekends (Sat.)

2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.
- At least 20-25 miles away to get mail daily, some residents have no cars to go that far and some times there is no gas in Nixon. Elder can not get mail daily, only when their family members are going to get mail.

3. **Other Comments.** Please provide any other views or information that you believe the Postal Service should consider in deciding whether to adopt the proposal.

Cluster boxes are not safe, this is a very rural town. We need our mail daily, all members of the community need important paper work mail out or receive the same.

Following are comments I wish to make concerning the proposed discontinuance of the NIXON Post Office.

1. **Effect on Your Postal Services.** Describe any favorable or unfavorable effects you believe the proposal would have on the regularity or effectiveness of your postal services.

Pyramid Lake Housing Authority does send out quite a few certified letters. Our tenants use the post office for money orders as our business does not accept cash. The nearest post office will be 20 miles away or 25 - 30 if the Wadsworth post office closes.

2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

There will be no favorable effects for our community if the post office closes. Cluster boxes does not seem very secure.

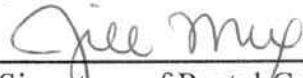

3. **Other Comments.** Please provide any other views or information that you believe the Postal Service should consider in deciding whether to adopt the proposal.

I believe that closing the Nixon Post Office will create a hardship for our community, not everyone in this community has a computer and will have to travel outside the community just to purchase stamps, money orders etc. We have the Tribe, The Clinic, the High School, the Housing Authority that all are located in Nixon who use the post office daily with bulks of mail coming in and going out. The Nixon Post Office is utilized especially during the week. One suggestion is to close on Saturday/or cut hours to 6 hours daily.

I don't want to travel to a different town & city to get my much needed mail. the post master knows everyone is caring & I have never had any problems with my mail, this will effect & cost me money so you can save money. I would like my money back for my P.O. Box cost I'll total up how much you owe me on the day it shuts down, if not paid back prepare for court.

2. **Effect on Your Community.** Please describe any favorable or unfavorable effects that you believe the proposal would have on your community.

your passing costing as to get mail 40 mins. away and will lose customers now. also cost of license change. might as well take Wadsworth off the map & Nixon, change the county. Thanks for changing the address of all my bills if this passes, lets do it to your post office too and see how it effects you too, people who come up with these ideas never look at the big picture, cause & effect

3. **Other Comments.** Please provide any other views or information that you believe the Postal Service should consider in deciding whether to adopt the proposal. Buddy.

To look at the situation and say this is where we can save money because we don't have enough business skills to keep it running & funded it just going against one of the needed things in the community. changing my home town zip code to a different city too seems retarded, you will make unemployment go up too, not good.

FINAL DETERMINATION TO CLOSE
THE NIXON, NV POST OFFICE
AND EXTEND
SERVICE BY RURAL ROUTE SERVICE

DOCKET NUMBER 1375139 - 89424

I. RESPONSIVENESS TO COMMUNITY POSTAL NEEDS

The Postal Service is issuing the final determination to close the Nixon, NV Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Fernley Post Office, located 14 miles away.

The postmaster position became vacant when the postmaster retired on June 05, 2010. Since the postmaster vacancy an OIC has been installed to operate the office. Postmaster level and office service hours are determined by a workload analysis which includes the number of deliveries and revenue.

The office was studied for possible closing or consolidation due to the following reasons: Due to decline in mail volume. We will continue to provide effective service through the Fernley Post Office.

The Nixon Post Office, an EAS-11 level, provides service from 08:15 to 11:30 - 12:00 to 16:15 Monday - Friday, Closed Saturday and lobby hours of 24/7 on Monday - Friday and 24/7 on Saturday to 192 post office box or general delivery customers and no delivery customers. Retail services included the sale of stamps, stamped paper, and money orders; special services such as Registered Mail, Certified Mail, Insured Mail, COD Mail, and Express Mail services; and the acceptance and dispatch of all classes of mail.

The retail window averaged 31 transaction(s) accounting for 41 minute(s) of retail workload daily. With minimal workload, the Postal Service feels that effective and regular service will be provided by rural route service. Office receipts for the last 3 years were: \$12,141 (32 revenue units) in FY 2008; \$13,329 (35 revenue units) in FY 2009; and \$12,273 (32 revenue units) in FY 2010. There were five permit mailer(s) or postage meter customer(s).

On June 15, 2011, representatives from the Postal Service were available at Tribal Office Chambers located at 208 Capital Hill in Nixon to answer questions and provide information to customers. 30 customer(s) attended the meeting.

On May 23, 2011, 192 questionnaires were distributed to delivery customers of the Nixon Post Office. Questionnaires were also available over the counter for retail customers at the Nixon Post Office. 34 questionnaires were returned. Responses regarding the proposed alternate service were as follows: 0 favorable, 15 unfavorable, and 19 expressed no opinion.

When this final determination is implemented, delivery and retail services will be provided by the Fernley Post Office, an EAS-20 level office. Window service hours at the Fernley Post Office are from 8:30 am to 5 pm, Monday through Friday, and 10 am to 2 pm on Saturday. There are 510 post office boxes available.

Retail service is also available at the Wadsworth Post Office an EAS-15 level office, located four miles away. Window service hours at Wadsworth Post Office are from 8 am to 12:30 pm 1 pm to 4 pm, Monday through Friday and closed on Saturday. There are 147 post office boxes available for rent.

The proposal to close the Nixon Post Office was posted with an invitation for comment at the Nixon Post Office, Wadsworth Post Office and Fernley Post Office from June 29, 2011 to August 30, 2011. The following additional concerns were received during the proposal posting period:

1. **Concern:** Customers expressed concern over the apparent lack of interest by the Postal Service for the needs of the community.

Response: The Postal Service is required to provide each community with regular and effective service, using the most cost efficient means possible. The proposed alternate delivery service will meet the mailing and service needs of the community in a more cost effective manner.
2. **Concern:** Customers were concerned about having to travel to another Post Office for service.

Response: Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Stamps are also available at many stores and gas stations where customers may already shop, online at usps.com, or by calling 1-800-STAMP-24.
3. **Concern:** Customers were concerned about having to travel to another Post Office for service.

Response: Services provided at the Post Office will be available from the carrier, and customers will not have to travel to another Post Office for service. Most transactions do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Stamps are also available at many stores and gas stations where customers may already shop, online at usps.com, or by calling 1-800-STAMP-24.

4. **Concern:**

Customers were concerned about obtaining services from the carrier.

Response:

Most retail services provided at the post office are available from the carrier and do not require meeting the carrier at the mailbox. Stamps by Mail and Money Order Application forms are available for customer convenience. Listed below are some services available from the carrier and how to obtain them.

PURCHASING STAMPS BY MAIL

The Stamps by Mail Program provides customers the opportunity to purchase stamps, envelopes, and postal cards by using a Stamps by Mail order form, available from the post office or the carrier. Commemorative stamps and stamp collecting products are also available. The customer addresses the postage paid order form envelope, encloses payment by personal check or postal money order made payable to the US Postal Service, and mails the form (postage-free) or leaves it in the mailbox for the carrier to pick up. Most orders are processed overnight, and some immediately.

PURCHASING POSTAL MONEY ORDERS

Customers may purchase money orders by meeting the carrier at the mailbox, completing an application, and paying the carrier (in cash) the price of the money order, plus the fee. The carrier gives the customer a receipt for the application. The money order is completed when the carrier returns to the post office, and a money order receipt is left in the customer's mailbox on the next delivery day. Most customers provide the carrier with a stamped, self-addressed envelope in which the completed money order is mailed to its destination. If customers prefer, the completed money orders will be returned for verification on the next delivery day.

SPECIAL SERVICES

Special services such as certified, registered, Express Mail, delivery confirmation, signature confirmation, and COD may be obtained from the carrier by leaving a note in the mailbox, along with the appropriate payment. The carrier will provide the services that day and leave a customer receipt in the mailbox on the next delivery day.

HOLDING MAIL

Customers who will be away for an extended time, such as a vacation, may request that their mail be held at the post office during their absence. Upon return the customer asks the post office to resume delivery.

5. **Concern:**

Customers were concerned about senior citizens.

Response:

Carrier service is beneficial to many senior citizens and those who face special challenges because the carrier can provide delivery and retail services to roadside mailboxes or Centralized Box Units. Customers do not have to make a special trip to the Post Office for service. Special provisions are made for hardship cases or special customer needs. To request an exception for hardship delivery, customers may contact the administrative postmaster for more information.

6. **Concern:**

Customer expressed a concern about package delivery and pickup.

Response:

Rural carriers will deliver packages that fit in your rural mail box, if the package does not fit in the mail box, the carrier will deliver the package up to ½ mile off of the line of travel, at a designated place, such as on your porch or under a carport. For carrier pick up of packages, you can contact the administrative Post Office, letting the carrier know that you have a package available for pick up. The carrier can deviate from the line of travel in order to receive packages. The rural carrier will accept letters, flats or packages up to 13 ounces for mailing. The carrier will estimate the cost and provide a receipt for any money received. On the following delivery day the carrier will provide change or a bill for the amount over the estimate. Packages over 13 ounces may be picked up if the postage was printed online or with a traceable meter.

7. **Concern:** Customer expressed a concern about the cost savings obtained by the Postal Service from the closure of Post Offices. Quoting the PRC which said if the Postal Service closed 1000 Post Offices, it would only save 0.7% of the postal budget.
- Response:** The Postal Service has developed and begun implementing a range of cost-reducing initiatives. These include: consolidating operations, adjusting delivery routes, restructuring administrative and processing functions and closing district offices. We also have introduced several new products and services, including Priority Mail Flat Rate boxes and Adult Signature service, in an effort to grow revenue.
8. **Concern:** Customers asked why their Post Office was being discontinued while others were retained.
- Response:** Post Offices are reviewed on a case-by-case basis. When there is a vacancy in a small office, it is customary to conduct a study of the business activity and investigate the feasibility of providing service by alternate means.
9. **Concern:** Customers were concerned why the postmaster position was not filled.
- Response:** All management positions were frozen in anticipation of the reorganization efforts.
10. **Concern:** Customers were concerned about mail security.
- Response:** Customers may place a lock on their mailboxes. The mailbox must have a slot large enough to accommodate the customer's normal daily mail volume. The Postal Service does not open mailboxes which are locked and does not accept keys for this purpose.

Some advantages of the proposal are:

1. The rural and contract carriers may provide retail services, alleviating the need to go to the post office. Stamps by Mail order forms are provided for customer convenience.
2. Customers opting for carrier service will have 24-hour access to their mail.
3. Savings for the Postal Service contribute in the long run to stable postage rates and savings for customers.
4. CBUs can offer the security of individually locked mail compartments. Parcel lockers provide convenient parcel delivery for customers.
5. Customers opting for carrier service will not have to pay post office box fees.
6. Saves time and energy for customers who drive to the post office to pick up mail.

Some disadvantages of the proposal are:

1. The loss of a retail outlet. Retail services may be provided by the rural or contract delivery carrier.
2. Meeting the rural or contract delivery carrier at the box to transact business. However, it is not necessary to be present to conduct most Postal Service transactions.
3. A change in the mailing address. The community name will continue to be used in the new address. A carrier route address will be assigned.

Taking all available information into consideration, the Postal Service concludes this final determination will provide a maximum degree of effective and regular postal services to the community.

II. EFFECT ON COMMUNITY

Nixon is an unincorporated community located in WASHOE County. The community is administered politically by Pyramid Lake Paiute Tribe. Police protection is provided by the Pyramid Lake Paiute Tribe. Fire protection is provided by the Pyramid Lake Paiute Tribe. The community is comprised of The geographic/economic make-up is an Indian Reservation. Nixon is where the Tribal Headquarters are located. All of the official government offices are here. and those who commute to work at nearby communities and may work in local businesses.

Businesses and organizations include: Pyramid Lake Gospel Outreach St Mary's Episcopal Church Pyramid Lake Jr/Sr High School , Nixon Head Start Pyramid Lake Library Pyramid Lake Cattlemen's Association Marble Bluff Fish Facility Eagle Eye Charters Pyramid Lake Housing Authority Pyramid Lake Health Clinic Pyramid Lake Paiute Tribe Pyramid Lake Tribal Court Pyramid Lake Police Natasha Davis Tupperware Representative . Residents may travel to nearby communities for other supplies and services.

Nonpostal services provided at the Nixon Post Office will be available at the Fernley Post Office. Government forms normally provided by the Post Office will also be available at the Fernley Post Office or by contacting your local government agency.

The following nonpostal concerns were expressed from questionnaires, the community meeting, on the petition, and on the congressional inquiry:

1. **Concern:** Customers expressed concern for loss of community identity.

Response: A community's identity derives from the interest and vitality of its residents and their use of its name. The Postal Service is helping to preserve community identity by continuing the use of the Community name and ZIP Code in addresses.
2. **Concern:** Customers were concerned about the loss of a gathering place and an information center.

Response: Residents may continue to meet informally, socialize, and share information at the other businesses, churches and residences in town.

Based on the information obtained in the course of this discontinuance study, the Postal Service concludes this final determination will not adversely affect the community.

III. EFFECT ON EMPLOYEES

The postmaster position became vacant when the postmaster retired on June 05, 2010. The noncareer postmaster relief (PMR) may be separated from the Postal Service. No other Postal Service employee will be adversely affected. Since the postmaster vacancy an OIC has been installed to operate the office.

IV. ECONOMIC SAVINGS

The Postal Service estimates an annual savings of \$ 45,117 with a breakdown as follows:

Postmaster Salary (EAS-11, No COLA)	\$ 29,900
Fringe Benefits @ 33.5%	\$ 10,017
Annual Lease Costs	<u>+ \$ 5,200</u>
Total Annual Costs	\$ 45,117
Less Annual Cost of Replacement Service	<u>- \$ 0</u>
Total Annual Savings	<u>\$ 45,117</u>

V. OTHER FACTORS

The Postal Service has identified no other factors for consideration.

VI. SUMMARY

This is the final determination to close the Nixon, NV Post Office and provide delivery and retail services by rural route service under the administrative responsibility of the Fernley Post Office, located 14 miles away.

The postmaster retired on June 05, 2010. If the office has a noncareer PMR(s), they may be separated from the Postal Service; however, attempts will be made to reassign the employee(s) to a nearby facility. No other employee(s) will be adversely affected. The workload has declined. Effective and regular service will continue to be provided by rural route service.

The Nixon Post Office provided delivery and retail service to 192 PO Box or general delivery customers and no delivery route customers. The daily retail window transactions averaged 31. There are five permit mailers or postage meter customers.

There will no longer be a retail outlet in the community. However, delivery and retail services may be available from a rural or contract delivery carrier, which could alleviate the need to travel to a Post Office for service. The Postal Service will save an estimated \$45,117 annually. A disadvantage to some will be in meeting the rural or contract delivery carrier to transact business. However, it is not necessary to be present to conduct most Postal Service transactions with rural or contract delivery carrier.

Taking all available information into consideration, the Postal Service has determined that the advantages outweigh the disadvantages and this final determination is warranted.

VII. NOTICES

- A. Support Materials. Copies of all materials upon which this final determination is based are available for public inspection at the Nixon Post Office, Wadsworth Post Office and Fernley Post Office during normal office hours.
- B. Appeal Rights. This final determination to close the Nixon Post Office may be appealed by any person served by that office to the Postal Regulatory Commission at 901 New York Ave NW, Suite 200, Washington DC 20268-0001. Appeals must be received by the Commission within 30 days of the date this final determination is posted. If an appeal is filed, copies of appeal documents prepared by the Postal Regulatory Commission or the parties to the appeal will be made available for public inspection at Nixon Post Office, Wadsworth Post Office and Fernley Post Office during normal office hours.
